This Sunday, we continue the message series focused on the Book of James titled "Staying the Course." This week our scripture will be James 5: 1-20.

Questions to *Dig Deeper*:

1. What items on James's list do you find yourself doing most consistently, and least consistently?
2. Have you ever had a prayer answered? I mean, where you prayed that something would happen, and it happened? Tell your group about it.
3. Looking back, was there anything special about the way you prayed that prayer?
4. How did you feel when it was answered?
5. What is the point of saying that Elijah was a man (person) just like us? Do you see yourself as being just like Elijah? Why or why not? Why did James describe Elijah in this way? What was his point?
6. Mature believers change the world one step at a time. Which item in James 5:13-18 do you want to grow in?
