Palm Sunday

It's Palm Sunday, the beginning of Holy Week. The message today will be focused on Luke 19:28-40.

Questions to *Dig Deeper*:

1. Name one part of the Old Testament or cultural background in this passage that was new to you today, or something you hadn't thought much about before.
2. What is one perception of Palm Sunday you had coming into today?
3. Jesus has been walking everywhere he went up to this point in the story. Why does he now seek out a colt to ride? What significance might there be in seeking a colt that had never been ridden?
4. As the group nears Jerusalem they begin to praise God joyfully in verse 38. The words they sing are partially from Psalm 118, an enthronement Psalm sung as a king's enthronement in Israel was celebrated each year. Why might they sing this song here and now?
5. There are some Pharisees with Jesus. They tell him to quiet his followers. Why might they do that? What might be the danger associated with Jesus entering Jerusalem this way?
6. What about Jesus entry to Jerusalem gives you hope today?
