All Things New: New Creation

This Sunday we continue the new message series called "All Things New." This week will focus on having a new mindset and the scripture focus is 2 Corinthians 10:1-6.

Questions to *Dig Deeper*:

1. 2 Corinthians 10 talks about not waging war how the world does. How do you see the world waging war against one another?
2. Taking captive every thought means that we need to be rooted in God's Word, people or prayer, and those with a deep humility and quiet strength in God. Which of those comes most naturally to you? Least naturally?
3. Which of those three (rooted in God's Word, rooted in prayer, grounded in humility) do you want to work on in the coming week?
4. What is a stronghold that you want to find a verse to combat and find encouragement during your week?
5. Our passage tells us that we are not to wage war as the world does. Where are you most tempted to wage war like the world? Work? Politics? Social Media? Family? Friends?
