All Things New: Relationships

This Sunday we continue the new message series called "All Things New." This week will focus on relationships and the scripture focus is 1 Corinthians 12:12-26.

Questions to *Dig Deeper*:

1. The passage says that all kinds of people are baptized into one body. What impact do you think that has for us today as we think about River Rock, and the greater church?
2. What are spiritual gifts that you think of as more important? What about less important? How did you decide which list those gifts belong on?
3. Fill out your own Spiritual gifts survey: <https://form.jotform.us/71223564145148>. What did you find affirming? Surprising?
4. What do you think would look different for you to rejoice with those who rejoice and mourn with those who mourn?
5. Which of the list of talent and treasure do you have the hardest time of giving? How do you want to give looking ahead? What can you begin to adjust starting even today?
