### What is the Gospel: God Creates

This week we begin a new message series called "What is the Gospel." For this week, we will be looking at Genesis 1 with a message title of "God Creates."

### Questions to *Dig Deeper*:

1. What in the creation story in Genesis 1 stood out to you?
2. Where do you see God's love and care for creation in the natural world around us?
3. What is the goal of creation? How does the way Genesis 1 is written point to this goal?
4. What does it mean for us as people to bear the image of God? What responsibilities come with being made in God's image?
5. What questions do you hope we will cover in this series about the gospel?
