NEXT STEPS

The Light Breaks In HOPE

This week starts our Advent series.
The scripture focus will be John 5:1-9.

Questions to *Dig Deeper*:

1. The man in our passage laid by the pool for 38 years, stuck, waiting. What is one spot in your life you feel stuck right now?
2. What impressions did you have of the man by the pool? What about as you hear his response to Jesus?
3. What is one place in your life that you are praying for hope? What makes it feel especially challenging or in need of hope?
4. What is your story of God giving you hope? Share it with your small group and email us at connect@riverrockcommunity.com, or hit us up on Instagram or Facebook with your story of hope.
