"Check your Heart"

1 John 3:11-24

Questions to *Dig Deeper*:

1. In what practical ways might we “lay down our lives for one another?”
2. How is God’s love seen at work in a believer?
3. Why should (or shouldn’t) our heart condemn us as we reflect?
4. What do you make of this verse about listening to our hearts? When might that be helpful? When is it less than helpful?
5. How do you see the greatest commandment (love God and love others) impacting how our love is practically expressed to God and others?
