*"What did it mean for the people of that day that Jesus became human?"*

Isaiah 9:2-7, Isaiah 42:1-4

## Questions to *Dig Deeper*:

1. How has Jesus brought you comfort and light in times in your life that felt dark, sad, and/or challenging?
2. Have you experienced leadership and servants like Isaiah speaks about in chapter 9 and 42, in your life before? What made those leaders stand out in your mind?
3. What expectations do you have, or have you been taught about Jesus, faith, church, prayer and more?
4. What in Isaiah stands out to you about the coming Messiah? What do you think would be most impactful of a servant like this to our world today?
5. Share about a time that you didn't see all of what God was up to, or missed what God was doing (but can now see or heard about from others in hindsight).
