REAL. RADICAL. ROOTED.

Rooted in Christ: God's Word Psalm 1

Questions to *Dig Deeper*:

1. The Psalmist defines the good person by what they love and the wicked person by what they do. What do you see in your life as the things you love? Again, this is more than people you love, but what habits, things, and rhythms do you love? What does your schedule and finances suggest you love?
2. What is one bible verse that you find meaningful to guide and ground your life?
3. What is one pressure that you struggle with and how can God's Word give you support and guidance with it?
4. What is one concrete place in your life that your faith impacts how you do things?
