"Faith Embodied"

Philippians 3

Questions to *Dig Deeper*:

1. Why should we rejoice in the Lord? What are some reasons that we get sidetracked from rejoicing in God? Why is rejoicing foundational to our faith?
2. What are things that you tend to place your trust in? What evidence do you have of this in your life?
3. What are your hopes around growing in your faith? What do you want to take aim at as you grow? Who and what will help you get there and stay on track?
4. What is your motivation, your why behind what? Why do you want to grow in the way you shared above? Take some time to pray a little about this and get as clear as you can. This can be a great encouragement and motivator.
