NEXT STEPS

"Where Transformation Starts"

Acts 8:26-40

Questions to *Dig Deeper*:

1. Can you think of a time where you felt like you needed to do something that you could not quite explain why? What happened?
2. What is one barrier to growing in your faith that you struggle with?
3. What do you think Philip's internal (or out loud) dialogue was like with God or the angel when he is told to just head south on a road with not much traffic?
4. What is one place you feel like you can respond to God like the eunuch did? In prayer, scripture reading, serving, joining a group?
