NEXT STEPS

Exodus Series "The In Between" Exodus 2

Questions to *Dig Deeper*:

1. What season of "in-between" are you currently experiencing in your life? Why have you found it difficult to trust God when we don't know how long a season will last or what the outcome will be?
2. Moses' parents could not see the whole plan, but they faithfully took the next step God placed in front of them. Can you think of a time when God only gave you enough direction for the next step rather than the whole journey? What does it look like to pray for and trust God for "daily bread" today?
3. Throughout Exodus 2, God is never directly mentioned as speaking or intervening, yet His hand is evident throughout the story. Where do you see God quietly at work in Moses' life? Looking back, where have you seen God working in your own life when you didn't recognize it at the time?
4. Moses spent years in Midian before God revealed his calling. Why do you think God often uses seasons of waiting, obscurity, or wilderness to prepare people? What qualities might God be developing in us during difficult or uncertain seasons?
5. Bill challenged us to replace "Are we there yet?" with "What is God up to?" How might that shift change the way we view our current circumstances? What practical habits can help us become more attentive to God's work in the middle of the journey rather than just focusing on the destination?
